

**State of Washington – Department of Natural Resources  
Summer Employment Opportunity**

---

## **NATURAL RESOURCE ENGINEERING INTERN**

The Washington State Department of Natural Resources, Engineering Division, is seeking qualified candidates interested in a summer internship position. This position is designed to give students majoring in Forest Engineering, Forest Products, Forest Operations, Forest Design, Civil Engineering or related fields basic work experience in road location and design, hydraulic survey and design and timber sale layout.

**OPENS:** December 8, 2004

**CLOSES:** Application deadline is February 4, 2005.  
Positions will be filled by February 25, 2005.

**SALARY RANGE:** Sophomore and under: \$1472 - \$1634 per month  
Junior: \$1634 - \$1815 per month  
Senior: \$1815 - \$2152 per month  
Graduate student: \$2152 - \$2607 per month

**DURATION:** All positions are full time for 3-months. Anticipated start date: June 2004.  
Anticipated end date: September 2004. Dates are negotiable.

**LOCATION:** Northeast Region – Colville  
Northwest Region – Sedro Woolley  
Olympic Region – Forks  
Pacific Cascade Region – Castle Rock  
South Puget Region – Enumclaw  
Southeast Region – Ellensburg

**POSITION DESCRIPTION:**

Assist the region engineering staff in a variety of duties that may include: road location survey and design, timber sale reconnaissance, bridge/culvert site survey, road inventory, contract compliance, cadastral land surveying and miscellaneous other engineering duties as required. Actual job duties will vary by region.

**POSITION REQUIREMENTS:**

Applicant must be a full-time student (12+ credits/quarter) majoring in Forest Engineering, Forest Products, Forest Operations, Forest Design, Civil Engineering or related fields and will be returning to school the following fall quarter/semester. **Note: Students graduating in June 2005 do not qualify for the Natural Resource Engineer Intern position (please call or email for more information).**

**DESIRABLE QUALIFICATIONS:**

Preferred candidates' course work/planned course work includes:

- Low volume road design
- General surveying
- Timber harvesting
- Hand drafting or computer aided drafting (i.e. AutoCAD)
- Microsoft office products

**HOW TO APPLY:**

Complete the following:

1. State of Washington application for employment <http://hr.dop.wa.gov/forms/stateapp.doc> (or contact [susan.seaberg@wadnr.gov](mailto:susan.seaberg@wadnr.gov) for an application).
2. Resume
3. Copy of Transcript

Send your application materials to:

Susan Seaberg  
Dept of Natural Resources  
950 Farman Ave N  
Enumclaw, WA 98022
